20 December 2023

Dear Parent/Guardian,

Secondary One Registration

A very warm welcome to the Tampinesian family! Thank you for choosing Tampines Secondary School (TPSS) for your child/ward. We are excited to walk this journey with you as your child/ward goes through the secondary school experience.

As the saying goes, "*Before anything else, preparation is the key to success*". We understand that as a parent/guardian, you want to prepare your child/ward well for the start of a new school year. Here at TPSS, we want to assure you that we will do our best to help your child/ward settle in, not just to a new school year but also to a new school experience, as he/she transits from the primary to the secondary school environment.

There is no requirement for students to report physically to their posted secondary school on 21 December 2023. We want to provide you with key information on matters relating to Secondary One registration in items 1 to 8 below. We have made every effort to be as clear and concise as possible. Please contact us if you have any queries and we will be most happy to help.

1. **Class Allocation and Secondary One Orientation**

As TPSS is implementing full subject-based banding and mixed form class in 2024, the school will need time to reflect the class allocation for your child/ward. You should be informed of the class allocation by 29 December 2023 through the "Sec 1 Orientation" letter via PG.

To support the incoming Sec One students in their transition to secondary education, an orientation programme will be held on 2 January and 3 January 2024. All students are to report to school on 2 January 2024 by 7.25 am. Information on the orientation programme, attire and the first week of school term schedule would be provided in the "Sec 1 Orientation" letter.

2. Sales of Books and Uniform

You are encouraged to purchase books and uniforms online. Online purchases can be done through the respective vendors' websites. You may choose for the items to be delivered to your home. For textbooks, you may choose to self-collect in school. Collection in school is strictly by appointment only.

If online purchase is not an option for you, we do allow walk-in purchase of textbooks and uniforms. You are encouraged to make an appointment. For both books and uniform walk-in purchase, please make an appointment with the bookshop.

Please see **Annex A** for further details.

In the unfortunate event that the uniform and PE attire are out of stock, Secondary One students can wear their primary school uniform and PE attire for the first week of school. During this first week, our uniform and PE attire will be on sale in school.

3. Students who are eligible to take on Subjects at a More Demanding Level

If eligible, parents will receive a separate Letter of Offer via PG before **6 pm on 20 December 2023**. This letter will provide more information as well as details of the FSBB briefing via zoom. The FSBB briefing will take place on **21 December 2023 at 11 am** and the details of the zoom briefing is shown below.

Topic: Briefing on Full SBB

Time: Dec 21, 2023 10:45 AM Singapore

4. Mother Tongue Language (MTL)

Bilingualism has been the cornerstone of Singapore's language policy. It is compulsory for students to offer a MTL as one of the subjects studied in school. We offer Chinese Language and Malay Language subjects within the school. Students who study Tamil Language (TL) are to report to TL centres for lessons.

Students who have been exempted from MTL at primary level will continue to be exempted when they progress to secondary level. It is not necessary to resubmit a new application. New applications for exemption from offering MTL have to be made officially and will be granted on a case by case basis by the Ministry of Education. Please obtain the application form (if required) from the General Office. The deadline for application is 30 March 2024. Further information regarding the exemption can be obtained from <https://www.moe.gov.sg/primary/curriculum/mother-tongue-languages>.

For Higher Mother Tongue, Foreign Language and 3rd Language matters, please refer to **Annex B**.

5. Medical Appeal Transfer

If you assess that TPSS is unable to accommodate your child/ward's physical health or special learning needs, you may appeal for a transfer. Medical appeals can be filed at the school General Office by 21 December 2023, 12 pm.

Please note:

- Appeals will only be considered on exceptional basis for students with:
 - Serious medical conditions, such as chronic heart conditions or kidney problems.
 - Severe physical impairments, such as those requiring permanent use of a wheelchair.
- All appeals must be accompanied by relevant supporting documents, such as medical reports and letters from doctors.
- We will help to file your appeal. The appeal result will be released in early January.
- Your child/ward should continue to attend our school until his/her transfer is approved.
- Transfers are subjected to vacancies at the requested transfer school.

6. Financial Assistance Scheme

As the Ministry of Education provides financial assistance to needy Singapore students in Government and Government-Aided schools, students may be eligible to apply for financial assistance. Detailed information about the household income requirements and the Financial Assistance Scheme can be found at: [Financial assistance | MOE](#)

Completed forms are to be submitted with supporting documents to our school. However, if an application had been made previously at the primary school, we will extract successful applications from our system after the Secondary One posting results and parents will be notified via PG on the collection of textbooks and uniforms from the vendors.

7. Joining TPSS PSG, Parents as Partners Network (PPN)

Parents are important partners as we work together to bring out the best in our students. We invite you to join the PPN if you would like to collaborate more closely with the school.

Join PPN form: <https://bit.ly/TPSS-PPN-Join>

For more information, please visit the TPSS Parent Microsite:

8. Secondary One Parent Engagement Session (3 January 2024)

The engagement session will take place in the evening of **3 January 2024**, from **5 pm – 7.30 pm**. Part of the session includes a meeting with the form teachers of your child/ward. You will also be witnessing the Investiture Ceremony of your child/ward into the TPSS Family. More details will be included in the “Sec 1 Orientation” letter.

I look forward to meeting you during the Parent Engagement Session and share with you about our efforts to develop your child/ward holistically over the next 4-5 years.

Meanwhile, to better support your child/ward in transiting to secondary school education, we encourage you to visit the following MOE webpages for tips and suggestions on how you can guide your child/ward. Please see:

In closing, it takes a village to raise a child. At TPSS, we are committed to working with you, our valuable parents/guardians, to give our students the best possible schooling experience, be it academic learning, co-curricular activities or other school programmes. With your support, we believe that we will be able to accomplish our school mission – to *provide a well-rounded education in a nurturing environment to prepare Tampinesians for the future.*

This letter is posted onto PG as well as our school website. PG is a key portal for schools to relay important information to parents, while the school website contains useful information for both students and parents, such as the school's history, subject and CCA offerings as well as school rules and examination matters. We encourage you to access these channels regularly to know more about school matters relating to your child/ward.

Besides the school website, we have our own social media channels. For more information and updates on our school's activities, you may visit and follow us on:

Higher Mother Tongue and 3rd Language Matters

Students who are offered Higher Mother Tongue will be required to attend Higher Chinese / Malay / Tamil Language lessons outside curriculum hours at one of the approved centres. The school recommends students to study Higher Mother Tongue at the nearest centre to the school:

- Higher Chinese Language - Ngee Ann Secondary School
- Higher Malay Language - Tanjong Katong Secondary School
- Higher Tamil Language - Pasir Ris Crest Secondary School

When accepting the offer, students will be required to submit an application to attend classes at the approved centre.

Students who offer Tamil Language will be required to attend Tamil Language classes at one of the approved centres. The school recommends students to study Tamil Language at the nearest centre to the school, Changkat Changi Secondary School. Students will be required to submit an application to attend classes at the approved centre.

Students who offer a Foreign or Asian Language in-lieu of Mother Tongue may apply to attend classes at MOELC. As admission priority will be given to students who offer Foreign or Asian Language as 3rd language, students will be placed on a waiting list after the application is received. When a vacancy arises, students will be required to take a readiness test before he/she will be admitted. As the placement to take classes at MOELC is based on available vacancy subject to passing the readiness test, students will be required to attend private lesson outside curriculum hours for the Foreign or Asian Language in-lieu of Mother Tongue that they are offering. They are allowed to stop attending the private classes only when they have secured a place at MOELC. Students who are not applying to attend classes at MOELC will be required to attend private classes outside curriculum hours.

Students who offer Non-Tamil Indian Languages (NTIL) will be required to attend classes at an NTIL Centre.

Students who have exercised the option to offer Malay (Special Programme) can refer to the main page of our school website (<https://tampinessec.moe.edu.sg/>) for further details. Lessons are conducted in our school.
